

Enhancing Public Participation in Thailand's Peace Process

The Problems

- **Misinformation, Bias**
- **Limited interactions**
- **Little participation in the peace process**
- **Committee on public participation
promotion comes to an end**

What we want to do...

Continue and expand the existing mechanisms of public participation promotion.

How

- 1. Assessment survey**
- 2. Matching groups/organizations in Southern Border Provinces with outside the region**
- 3. Engagement and Interaction**

4. Regular communication with online platform Public consultation and engagement Platform for dialogue
